*Certified Copy of a Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor-General in Council on the 10th November, 1893.*

ON A MEMORANDUM, dated 26th October, 1893, from the Minister of the Interior, stating that his attention has been called to the fact that the affidavit under Forms D, F, G and H, respectively, which is required to be made by a person obtaining a homestead entry in the Railway Belt in British Columbia, does not correspond exactly with the Regulations as they are worded at the present time, the applicant being required to swear that he does not own any lands in the Railway Belt, whereas section 13 of the Regulations provides that anyone may get a homestead who does not hold or own by pre-emption record or otherwise, under the laws of the Province of British Columbia, more than 160 acres of land in the Railway Belt.

The Minister therefore submits for sanction by Your Excellency the accompanying annexed Forms of Affidavit, which have received the approval of the Department of Justice.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 21st day of October, 1893.

PRESENT:

HIS EXCELLENCY THE ADMINISTRATOR OF THE GOVERNMENT IN COUNCIL.

ON A REPORT dated 2nd October, 1893, from the Minister of the Interior, stating that an application has been made by Mr. Gordon E. Corbould, M.P., on behalf of the Surrey Agricultural Association of British Columbia, for a grant of 40 acres of Dominion lands, being legal subdivision 12 of Section 16 in Township 8, east of the coast meridian, for the purposes of the Society;

The Minister further states that a Report has been received from the Local Agent of Dominion Lands for the District to the effect that, as far as he knows, there is no objection to the land being granted to the Association in question,—

The Minister recommends, as it is in his opinion desirable to encourage institutions such as the Agricultural Association referred to, and the land applied for being at the disposal of the Crown and not valuable for any other purpose than that to which the Association purposes to apply it, that the 40 acres asked for, namely, legal subdivision 12 of Section 16, in Township 8, east of the Coast Meridian, be granted to the Surrey Agricultural Association of British Columbia, under sub-section 2 of section 11 of the Regulations for the disposal of Dominion Lands within the Railway Belt in the Province of British Columbia, which empowers the Governor in Council to set apart and appropriate such Dominion Lands as he may deem expedient for public purposes.

The Committee submit the above recommendation for Your Excellency's approval.

## MISCELLANEOUS.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 26th day of October, 1893.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

**O**N A MEMORANDUM, dated 19th October, 1893, from the Minister of the Interior, stating that an application has been made by the Municipal Council of Upper Sumas, British Columbia, for a grant of  $2\frac{1}{2}$  acres of land within the fractional north-west quarter of Section 13, Township 16, east of the coast meridian, for the purposes of a cemetery,—

As the land in question is at the disposal of the Crown, and it is, in the opinion of the Minister of the Interior, in the public interest that it should be granted for the purpose specified, he recommends that the two and one-half acres of land, within the fractional north-west quarter of Section 13, Township 16 east of the Coast Meridian, and more particularly described in the accompanying description, be granted to the Municipal Council of Upper Sumas, British Columbia, for cemetery purposes, under sub-section 2 of section 11 of the Regulations for the disposal of Dominion Lands within the Railway Belt in the Province of British Columbia, which empowers the Governor in Council to set apart and appropriate such Dominion Lands as he may deem expedient for public purposes.

The Committee submit the foregoing for Your Excellency's approval.

## CHILLIWACK BY-LAWS.

BY-LAW NO. 60.

**A** by-law to provide for the draining of the north-east portion of Township 26, and west portion of Township 29, District of New Westminster, and within the boundaries of the Corporation of the Township of Chilliwack, to be known as the "Elk Creek Draining Scheme" and for borrowing on the credit of the said Corporation the sum of five thousand (\$5,000) dollars for completing the same.

**W**HEREAS Andrew Smith, John Stady, and twenty-four others, with a total assessment of \$61,337, being a majority in number and value of the owners as shown by the last revised assessment roll, of the property hereinafter set forth to be benefitted by the construction of the drainage works hereinafter provided for, have petitioned the Council of the said Corporation praying for the drainage of the following lands in townships 26 and 29, within the boundaries of the said Corporation, comprised within the following boundaries, viz.:

From the north-east corner of section 24, township 26, west to the north-east corner of section 26, thence north to Hope Slough, thence following the meanders of Hope Slough to the north-east corner of section 31, township 29, thence south to the mountains, thence along the base of the mountains to the point of commencement.

And whereas with such purpose in view the said Council procured an examination to be made by A. O. Meara, civil engineer, being a person competent for such purpose, of the said locality proposed to be drained, and has also procured plans and specifications and estimates of the work of construction to be made by the said A. O. Meara, and an assessment to be made by him of the lands to be benefitted by such work, stating as nearly as can be the proportion of benefit which, in his opinion, will be derived in consequence of such work, by every section, part of section, or lot; the said assessment so made by him being the assessment hereinafter by this by-law enacted to be assessed and levied upon the sections, part of sections, and lots hereinafter in that behalf specially set forth and described, and the report of the said A. O'Meara in respect thereof and of the said work being as follows :

CHILLIWACK, B. C., December, 1893.

To the Reeve and Municipal Council :

**G**ENTLEMEN—In accordance with instructions received from your honourable body I proceeded to make an examination and survey of a certain area of low lying lands in the vicinity of Elk Creek so as to devise the most effectual means of draining the same and of dealing with the Ford and Elk Creeks, the present bed of which streams not being of sufficient capacity to carry the waters after an ordinary freshet, it results that the overflow renders the low lands adjoining totally useless, and the efficiency of the lateral ditches discharging into the creek is destroyed; caused by the backing up of the water. I would recommend as the most effective plan of disposing of these waters, that the above named creeks be diverted into the Hope Slough, and from levels taken I find this quite practicable and attended with no difficulties. The construction of a diverting ditch, located and of the dimensions as herein stated, would carry the waters of the creeks and provide a perfect drainage to all lateral drains discharging both into the proposed ditch and present bed of the creek, viz.:

Beginning at Hope Slough at the north-east corner of the north-east  $\frac{1}{4}$  of section 36, township 26, thence south crossing Trunk and Chilliwack Central roads to nearly south-east corner of south-east quarter of section 25, thence on a south-westerly course through part of the north-east  $\frac{1}{4}$  of section 24, to Elk Creek, a total length of 9,992 feet.

The bottom of the ditch to be a width of ten feet and an average depth of from 5 to 7 feet on the minimum grades, and a bottom width of 7 to 8 feet, with a depth of from 4 to 6 feet on the maximum grades with slopes of 1 to 1. I would suggest that a flood-gate be constructed at the head, as it is necessary that a certain percentage of water be allowed into the old bed in the dry season of the year. I estimate the total cost of this work at (\$5,000) five thousand dollars, including surveys, contingencies, &c. I estimate the

cost of the work connected with the Elk Creek diverting ditch as follows:

## RICHMOND BY-LAWS.

### A BY-LAW

*To regulate the election of a Reeve and Councillors for the Municipality of Richmond.*

WHEREAS it is expedient to make provision for the election of a Reeve and Councillors for the Corporation of the Township of Richmond and for the appointment of a Returning Officer.

Be it therefore enacted by the Reeve and Councillors of the Corporation of the Township of Richmond as follows:—

1. The Council shall consist of a Reeve and five Councillors, and each of such Councillors shall be elected to represent a separate ward of the five wards into which the Municipality of Richmond is divided.

2. The nomination of candidates for the respective offices of Reeve and Councillors shall take place on the second Monday in January in each and every year, at the Richmond Town Hall, from 12 o'clock noon to 2 p.m., and the polling, if any, at the same place on the Thursday following from 8 a.m. to 4 p.m., and the proceedings at such election shall be in accordance with the provisions of the "Municipal Act, 1892," and amendments thereto.

3. In case of a poll being required, each duly qualified voter shall have one vote for a Reeve, and also one vote for a Councillor in the ward or respective wards in which he or she may be registered as a ratepayer.

4. The Returning Officer shall, on the day of nomination, nominate such persons as shall be put in nomination in that behalf, and, in case of a poll being required, shall provide a separate ballot box for the votes for Reeve and also for a Councillor for each ward. He shall also provide separate ballot papers for the election of a Reeve and of a Councillor for each ward, on which ballot papers shall be written or printed the names of the several candidates, their occupation, and residence, and, in case of Councillors, the wards for which such candidates are nominated. The Returning Officer shall also provide a compartment in the polling place in which the voter can mark his or her ballot paper secure from observation, and into which he will allow only one voter at a time.

5. The Returning Officer shall, immediately before the opening of the poll, show the ballot box to such persons as are present so that they may see that it is empty. He shall then lock the box and place his seal upon it in such a manner as to prevent its being opened without breaking the seal, and shall then place the box in his view for the reception of ballot papers.

6. The Returning Officer before handing the ballot paper or papers to the voter shall write or stamp his initials upon the back or backs of the same, and shall check off the number of such voter on the list of voters.

7. The voter shall then proceed into the separate apartment provided for the purpose and shall secretly mark his ballot paper or papers with an X on the right hand side opposite the name of the candidate for whom he desires to vote, and shall then fold the ballot paper or papers in such a manner as to conceal the names of the candidates and the X, but so as to expose the initials of the Returning Officer, and shall then place the same in the ballot box in which such should be placed in the presence of the Returning Officer.

8. Immediately after the close of the poll, the Returning Officer shall, at the polling place and in presence of such of the candidates or their accredited agents as may be present, open the ballot boxes and proceed to count the votes. He shall examine the ballot papers and shall reject as void any ballot paper not having his initials on its back, or on which more votes are given than the elector is entitled to give, or on which the voter has put any mark or writing by which he can be identified, and forthwith thereafter declare to be elected the candidate for whom the majority of votes have been given.

9. When an equality of votes is found to exist between any candidates, the Returning Officer shall have the casting vote.

10. After declaring the result of the poll, the Returning Officer shall seal up all ballot papers used at the election and shall keep them in his possession for twelve months, unless called upon legally to deliver up the same, after which he shall destroy them.

11. The Council shall, in the month of December in each year, appoint a Returning Officer, by resolution,

and shall previous to the day of nomination furnish him with a list of voters for each ward.

12. The "Richmond Municipal Election Regulation By-law for 1893" is hereby repealed.

This by-law may be cited for all purposes as the "Richmond Municipal Election Regulation By-law, 1893."

Passed the Richmond Municipal Council this 16th day of December, A.D. 1893.

Reconsidered and adopted, signed by the Reeve and Clerk of the Council, and the seal of the Corporation attached this 21st day of December, A.D. 1893.
